

I remember...
A jewel of a life

The life of a person is like a diamond in which each of its facets reveals the beauty and brilliance of the jewel.

The sum of all of our experience with our loved one helps us to see the beauty of the life that God gave her (him) and the ways that He has blessed us through her (him).

You are invited to write a few lines about a joyful experience that you've shared with our loved one. These experiences will be a wonderful gift to the family.
